EVENING OF
NOVEMBER 6TH 2025

In 2026 the FIFA World Cup will have matches taking place in Miami! CEF of Florida is currently making a plan to be in Miami during this time to evangelize to the many soccer fans coming in to watch the matches, especially the children, with new soccer themed materials and tracts produced by CEF Press.

WE NEED YOUR HELP!

If you have any contacts in the Miami area that would be interested in helping support this effort (or if you yourself are) by participating, hosting evangelists, or other ways would you please contact our state office?
